Jess,

Here are some items that I've seen and Council members have brought up to me regarding the disconnect between Bradbury's CSO and LASD:

- * Radio Connection: the Bradbury CSO has no radio connection to LASD to monitor activity in the City. His cell number was supposed to be at the dispatch center in case contact was needed, but he's never been called.
- * Fingerprinting: the CSO has the ability to conduct fingerprints but has never been asked.
- * Report Writing: the CSO has the ability to write reports but has never been asked.
